

Disclosure Statement  
Margaret Triyana

I declare that I have no relevant or material interests that relate to the research described in this paper.

This research was conducted as part of the author's dissertation at the University of Chicago. The data was obtained while the author was a consultant at the World Bank (Jakarta, Indonesia). The use of the survey data was reported to the IRB at the University of Chicago.

Research support from the Hewlett Foundation/IIE Dissertation Fellowship, the Harvard Kennedy School Indonesia Program, and the Walter H. Shorenstein Asia-Pacific Research Center at Stanford University is gratefully acknowledged.
