

**Disclosure Statement of Noemi Peter**

**about the article**

**“Gender, competitiveness and study choices in high school - evidence from Switzerland”**

I was employed by the University of Bern from March 2015 till July 2016, and my employment was funded by the Swiss State Secretariat for Education, Research and Innovation. Since August 2016 I am employed by the University of Groningen. Other than my salary and the reimbursement for the costs of attending the AEA/ASSA meetings, I do not and did not receive financial support from these institutions for doing this research. Importantly, I did not receive financial support from any other parties for this research, so there is no financial support from any interested party to be declared.

I declare that I have no relevant or material financial interests that relate to the research described in this paper.

Signed: Noemi Peter
