

Disclosure Statement – Oleg V. Baranov

Manuscript: “Efficient Procurement Auctions with Increasing Returns”

Author: Oleg V. Baranov

- Disclosure to include in the ‘acknowledgments’ footnote: “The authors gratefully acknowledge the generous support of the Bill & Melinda Gates Foundation. We additionally appreciate the thought partnership of the Foundation’s Vaccine Delivery Market Dynamics team, especially Robyn Iqbal, Orin Levine and Greg Widmyer, in expanding our knowledge of the economics of vaccine production and the current approach to vaccine procurement for GAVI countries.”
- The Foundation’s support was provided by a contract with Power Auctions LLC, a consultancy that provides auction design and software implementation services to governments, non-governmental organizations and commercial enterprises.
- The author is an academic associate of Power Auctions LLC.
- The author declares that he has no other relevant or material financial interests that relate to the research described in this paper.
