

Disclosure Statement for Martina Björkman Nyqvist for the article

**Experimental Evidence on the Long-Run Impact of Community Based Monitoring**

The research described in the submitted manuscript has received financial support from the following sources:

BNPP

the World Bank Research Committee

the Gender Action Plan (GAP)

the Strategic Impact Evaluation Fund (SIEF) at the World Bank

the Swedish Research Council

SIDA

The trial was approved by the ethic committee of Fondazione IRCSS in Milan, Italy, (IRB approval number: D229171).

I have not received any financial support in the form of consultant fees, retainers, grants and the like from any interested party, where an "interested" party is any individual, group, or organization that has a financial, ideological, or political stake related to the article.

I do not hold and have not held any paid or unpaid positions as officer, director, or board member of relevant non-profit organizations or profit-making entities. A "relevant" organization is one whose policy positions, goals, or financial interests relate to the article.

The above disclosures also apply to any close relative or partner of mine.

No other party had the right to review the paper prior to its circulation.
