

Disclosure Statement for the manuscript “Small Moment: Class Size and Moral Hazard in the Italian Mezzogiorno”

Daniela Vuri

25th November, 2016

This study has not duplicate publication or submission elsewhere. The authors received financial support from Einaudi Institute of Economics and Finance, Fondazione Bruno Kessler, the Institute for Education Sciences, the Arnold Foundation, and The Spencer Foundation for the research and/or authorship of this article. INVALSI has provided the achievement data and the Ministry of Education (MIUR) the administrative schools data.

I hereby declare that I have no relevant or material financial interests that relate to the research described in this manuscript.
