

"Politicians and Local Economic Growth: Evidence from India," by Sam Asher and Paul Novosad

Submission to American Economic Journal: Applied Economics

Disclosure Statement for Paul Novosad

This project received financial support from the Center for International Development and the Warburg Fund (Harvard University).

The author declares that he has no relevant or material financial interests that relate to the research described in the paper.

This paper did not involve collection of data on human subjects, so the project was considered exempt from IRB.

A handwritten signature in black ink, appearing to read 'P. Novosad', with a stylized, cursive script.
