RE: "Shale Gas Development and Drinking Water Quality"

Disclosure Statement

I, Elaine Hill, declare that the research described in "Shale Gas Development and Drinking Water Quality" was gratefully funded by a pilot grant from the EHSC at the University of Rochester, an NIH/NIEHS-funded program (P30 ES001247) and my time on this research was partially funded by an NIH Early Independence Award grant from the NIH Common Fund (1 DP5OD021338-01; PI Hill).

I have no relevant or material financial interests that relate to the research described in this paper.

Sincerely,
Elaine Hill

A handwritten signature in black ink that reads "Elaine Hill". The signature is written in a cursive style, with the first name "Elaine" and the last name "Hill" clearly legible.
