Manuscript Title: “Are Consumers Poorly Informed about Fuel Economy? Evidence from Two Experiments”

Disclosure Statement:

Funding was provided by the Ford-MIT Alliance, and we are grateful to Ford’s Emily Kolinski Morris for her collaboration and support of the experiments. Notwithstanding, Ford had no control over the data, analysis, interpretation, editorial content, or other aspects of this paper. No third party had the right to review this paper prior to its circulation. I have no other relevant or material conflicts of interest.

This RCT was registered in the American Economic Association Registry for randomized control trials under trial number AEARCTR-0001421.

The experiments in this project were determined to be exempt from review by the MIT Committee on the Use of Human Subjects, Protocol Numbers 1206005115 and 1401006118. The NYU University Committee on Activities Involving Human Subjects determined on August 17th, 2012 that these experiments were not subject to additional NYU review.
