

**Disclosure statement by Heidi Williams**

- (1) As detailed in the opening footnote, this paper received financial support from several sources:
  - The National Institute on Aging (NIA) and the NIH Common Fund, Office of the NIH Director, through Grants T32-AG000186 and U01-AG046708 to the National Bureau of Economic Research (NBER)
  - The Alfred P. Sloan Foundation
- (2) In addition to the sources listed above, over the past three years I have received more than \$10,000 in research funding from the Washington Center for Equitable Growth; the Ewing Marion Kauffman Foundation; NSF Grant Number 1151497, and the Toulouse Network for Information Technology.
- (3) I do not have any paid or unpaid positions as officer, director, or board member of a relevant non-profit organization or profit-making entity.
- (4) None of my partners or close relatives have relevant disclosures.
- (5) No party had the right to review the submitted paper.
