Disclosure Statement: Fabrizio Zilibotti

Article: "Sovereign Debt and Structural Reforms"

I declare that when writing this article I have received financing from Yale University (in the form of a regular academic salary). Yale University has no stake in this research and cannot be considered an "interested party".

I neither hold nor have I held any paid or unpaid position in any relevant organization, i.e., one whose policy positions, goals, or financial interests relate to the article.

No party has had the right to review this paper prior to its circulation.

Finally, this disclosure statement applies to my partner and all close relatives. None of them have any conflict of interest with respect to this article. The article does not involve the collection of any data on human subjects (so no IRB statement is relevant).
