Dear Ms Wallhausen

**Disclosure statement in respect of “David Kynaston’s *Till Time’s Last Sand: A History of the Bank of England, 1694-2013*: A review essay”**

I declare that I have received no financial support in respect of the preparation of this manuscript.

I was employed at the Bank of England from 2000 to 2014. This fact is already recorded in the authorial footnote on the cover page of the manuscript.

As well as my academic affiliation at the London School of Economics, I also hold a part-time policy position at the Office for Budget Responsibility. This is not of immediate relevance to the article, but is also already noted in the authorial footnote.

Yours Sincerely,
