

Bradley: The author declares that he has no relevant or material financial interests that relate to the research described in “Hidden Baggage: Behavioral Responses to Changes in Airline Ticket Tax Disclosure.” Bradley received financial support from the LeBow College of Business at Drexel University for purposes of data acquisition.

The statistical analyses presented in this article rely upon restricted-use airline ticket data compiled by the Bureau of Transportation Statistics, U.S. Department of Transportation (DOT). All results were reviewed by the DOT to ensure data confidentiality. The DOT did not in any way influence the research question, tests, or conclusions presented therein.
