

Disclosure for Liran Einav  
“Screening and Selection: The Case of Mammograms”

I acknowledge financial support from the National Institute of Aging (Grant #R01 AG032449). I am an adviser to NunaHealth, a data analytics startup company, which specializes in health insurance claims.

Before starting to work on this paper, the research topic of the project was initially cleared by HCCI and SEER-Medicare. In addition, HCCI had the right to review the manuscript prior to public circulation, to ensure that no sensitive corporate information is unintentionally disclosed.
