

“Evaluating the Economic Cost of Coastal Flooding”

by Klaus Desmet, Robert E. Kopp, Scott A. Kulp, David Nagy, Michael Oppenheimer, Esteban Rossi-Hansberg and Benjamin H. Strauss

Disclosure Statement for Klaus Desmet

The author declares that he was professor at Southern Methodist University while writing the submitted paper. He was a Lone Star Fellow at PERC during two weeks while doing part of this research, as well as a short term visitor at the St Louis Fed and the Dallas Fed. None of these relationships affected the research or conclusions described in this paper.
