Disclosure Statement for *"Identifying Present Bias from the Timing of Choices"*

**Düsseldorf Institute  
for Competition Economics**

---

To Whom It May Concern:

I declare that I have no relevant or material financial interests that relate to the research described in the above mentioned paper. Part of the research on this paper was done while I visited *brq – Behavior and Inequality Research Institute GmbH* in Bonn, whose generous support for my academic research was unconditional of my research findings or the exact projects I decided to pursue.

**Heinrich-Heine-Universität  
Düsseldorf**  
Universitätsstraße 1
