Disclosure Statement

Monica Martinez-Bravo

To whome it may concern,

As one of the authors of “ The Rise and Fall of Local Elections in China” submitted to the *American Economic Review*, I here declare that

- (1) No external financial support has been received for the project producing the paper, except a research grant from the National Science Foundation;
- (2) The paper is a product of pure academic research and is not related to any organization in any form;
- (3) No party requires that the paper be reviewed by the party prior to its publication.

Yours,

A handwritten signature in blue ink, appearing to read "Monica B.", enclosed within a large, loopy oval flourish.
