

Pathways Into Opioid Addiction: Evidence From Practice Variation in Emergency Departments

Disclosure Statement for Jonathan Zhang

Jonathan was a graduate student at Stanford University and Workers Without Compensation (WOC) at the US Department of Veteran Affairs when they started this research project in 2018. This project is supported by VHA Enterprise Opiate Safety Team's Comprehensive Addiction and Recovery Act funds and the Leonard W. Ely and Shirley R. Ely Graduate Student Fellowship via funds given to the Stanford Institute for Economic Policy Research. He is currently a paid federal contractor with the Veterans Health Administration Office of Mental Health and Suicide Prevention.

American Economic Review reviewed this manuscript prior to AEJ: Applied.
