Re: Disclosure Statement regarding “Agri-food Value Chain Revolutions in Low- and Middle-Income Countries” to be published in the *Journal of Economic Literature*

The paper was supported by my salary at the University of California, Berkeley.

I have been serving on MARS Inc. Science Advisory Board but I don’t see any potential conflict of interest.

None of my relatives has any interest related to the paper.

No other party required to review the paper.

A handwritten signature in black ink, appearing to read "David Zilberman".
