

Disclosure statement for Christopher L. House

Research for “Labor Mobility and Unemployment over the Business Cycle” was supported by a \$22,200 grant from MITRE (Michigan Institute for Teaching and Research in Economics, University of Michigan). The grant was awarded to Professors Chris House and Linda Tesar to support a research assistant (Andrea Foschi, a co-author of this study) and for data collection.

I have no relatives or partners with interest in this research.

No party had the right to review the paper prior to its circulation.

I have no conflicts of interest with regard to this research.
