Disclosure Statement for resubmission to the American Economic Journal: Applied Economics

I hereby confirm that the manuscript with the title “Activated History: The Case of the Turkish Sieges of Vienna” is original, has not been published elsewhere, is not under consideration by another journal and will not be published elsewhere if accepted. I do not have any conflicting interests to declare.

I further declare that I have no relevant or material financial interests that relate to the research described in this paper. I further have no partner or relatives with relevant or material financial interests that relate to the research described in this paper.

The research has benefitted from research support by the German Research Foundation (DFG grant number 400857762). The DFG supports independent research and there are no conflicting interests to declare.
