Financial and IRB disclosure statement for the article: "Health Care Centralization: The Health Impacts of Obstetric Unit Closures in the US"

I received no financial support for this study. I hereby declare that I have no relevant or material financial interests that relate to the research described in this paper.

This project (Project #24-21-0397) has been approved by the IRB at the University of California, Santa Barbara.

Some of our data (i.e., restricted-use NVSS mortality and natality files) are not publicly available, so we will be unable to share it with interested researchers. However, we agree to share instructions on applying for the data we have collected and our program files.

Sincerely,
