RE: American Economic Association Disclosure Policy

March 26, 2022

Dear Editor,

I hereby declare that I have no relevant or material financial interests that relate to the research described in the paper "Intergenerational and Sibling Peer Effects by Gender in High School Majors". The project uses register data from Sweden which does not require IRB approval.

Yours sincerely,

A handwritten signature in black ink, appearing to read "DOR", with a stylized flourish at the end.

Dan-Olof Rooth
