### Disclosure Statement - Philipp Kircher

American Economic Journal - Microeconomics

Manuscript: "Eliciting time preferences when income and consumption vary: Theory, validation & application to job search"

The author, Philipp Kircher, declares that he has no relevant or material financial interests that relate to the research described in this paper.

The research was partially financed by this author's European Research Council Grant No 284119. This author also obtained funding through UK Research Council Grants ES/L009633/1 and ES/L012499/1 and European Research Council Grant No 818859, but neither relates to this particular piece of research.

The project on which this paper is based has received IRB approval at the University of Edinburgh and the University of Amsterdam.
