

Disclosure Statement**Author: John W. R. Phillips****Paper: Communicating Program Eligibility: A Supplemental Security Income (SSI) Field Experiment**

The author declares that he is an employee of the National Institute on Aging, National Institutes of Health. He has no other relevant or material financial interests that relate to the research described in this paper.

IRB approval was not obtained for the project as it studied existing administrative data from an experiment implemented by the Social Security Administration. The data used in this paper are from the Social Security Administration and SSA employees reviewed the results of the study prior to dissemination to ensure that the confidentiality of the data is not compromised. Access to SSA data is subject to restrictions. The programs used in this analysis are available on request to researchers with access to these data through a data use agreement.
