

I, Ashley Edwards, would like to disclose that we received funding for our submission of “HBCU Enrollment and Longer-Term Outcomes” from Helios Education Foundation, the Russell Sage Foundation, and the Washington Center for Equitable Growth.

I would also like to disclose that I attended an Historically Black College and University, which is the subject of the research.

The research was approved by Georgia State University’s IRB (#H22612).

Sincerely,

A handwritten signature in black ink that reads "Ashley Edwards". The signature is written in a cursive, flowing style. The first name "Ashley" is written in a larger, more prominent script, and the last name "Edwards" is written in a slightly smaller, more compact script. The signature is enclosed within a thin black rectangular border.
