Disclosure statement for Home, Sweet Home: Returns to Returning in the Age of Mass Migration – Björn Eriksson

1. The author declares that he has no relevant or material financial interests that relate to the research described in this paper.
2. Regarding to access to data and code, we will provide de-identified analytical samples and computer code to all readers to allow for replication of all results. The raw original data can be accessed in part:
 - a. The public depository at the North Atlantic Population Project (NAPP) allows access to the Swedish censuses of 1880, 1890, 1900, and 1910, through their website at <https://www.nappdata.org/napp/index.shtml>.
 - b. Other datasets are proprietary and cannot be shared since they are not publicly distributed. This concerns the Swedish emigration register, the death index and the 1930 Swedish census.
