Philadelphia, October 11th, 2024

Dear Editors,

With regards to the manuscript “Cooking, health, and daily exposure to pollution spikes”, which I and my co-author Joshua T. Dean would like to submit for publication in the *American Economic Journal: Economic Policy*, I declare that I have no relevant or material financial interests that relate to the research described in this paper.

This research has received funding from the Weiss Fund for Research in Development Economics, the International Growth Center–Kenya, the University of California at Berkeley, the University of Pennsylvania, and the University of Chicago.

This research received IRB approval in Kenya from Amref (ESRC P1195/2022) and KEMRI (RES/7/3/1) and in the U.S. from the University of Pennsylvania (protocol ID 849048) and the University of Chicago (IRB22-0943).

Sincerely,

A handwritten signature in black ink, appearing to read "Susanna", with a long, sweeping horizontal line extending to the right.
