SUBJECT

Disclosure Statement "Import Liberalization as Export Destruction? Evidence from the United States"

I have no relevant or material financial interests that relate to the research described in this paper. We received financial support from EOS programme of the Flemish (FWO) and the French-speaking (FNRS) communities of Belgium (convention 30784531 on "Winners and Losers from Globalization and Market Integration: Insights from Micro-Data"). This is acknowledged in the paper.

Yours Sincerely,

Elsa Leromain
