### **Disclosure Statement**

*"Understanding High-Wage Firms: Monopoly, Monopsony, and Bargaining Power"*

To whom it may concern,

In accordance with the *American Economic Review's* disclosure policy, I declare that:

1. The U.K.'s Economic and Social Research Council (ESRC), European Research Council (ERC) Tradenet grant (No. 714597), and the Tore Browaldh Foundation grant funded this research. I have no other relevant financial interests related to this paper to declare.
2. This paper uses confidential administrative data from France that require approval from the French national statistical authorities (DARES, DGFIP, INSEE) for access. All tables and figures in the paper have been reviewed by the French secure data center (CASD) prior to circulation to ensure that no confidential information is revealed.

Sincerely,

Horng Chern Wong
