To Whom It May Concern,

The manuscript "Designing Incentives for Impatient People: An RCT Promoting Exercise to Manage Diabetes" was written with financial support from the government of Tamil Nadu, the Initiative for Global Markets, the J-PAL USI Initiative, the Chicago Booth School of Business, the Tata Center for Development, the Chicago India Trust, and the Indian School of Business. IRB approval for the project was obtained from the University of Chicago Institutional Review Board, the Indian School of Business Institutional Review Board, and the Institute for Financial Management and Research Institutional Review Board. We declare that we have no relevant or material financial interests that relate to the research described in this paper. No other party had the right to review this paper prior to its circulation.

Sincerely,

A handwritten signature in black ink, appearing to read "A. Zucker", is written over a horizontal line.
