

Disclosure Statement for "Borrowing Trouble: Human Capital Investment with Opt-In Costs and Implications for the Effectiveness of Grant Aid"

Lesley J. Turner

The author declares that she has no relevant or material financial interests that relate to the research described in this paper. The author has not received financial or in-kind support from any interested party. The author holds no paid or unpaid positions with any relevant organizations.

This project uses restricted-use data provided by the City University of New York (CUNY). The data sharing agreement with CUNY requires the authors to maintain confidentiality but does not require that the authors submit their work for review before making it publicly available.

This project was declared exempt from review by the University of Maryland IRB.
