ORGANIZATION FOR ECONOMIC COOPERATION AND DEVELOPMENT

**OECD Employment Outlook.**

Surveys current labor market trends and examines several key labor market developments from a medium-term perspective.

81 83 03 1      October 1983      \$9.00

**Industry in Transition:  
Experience of the 70's and Prospects for the 80's.**

Examines how industry adapts to changes and underlines the needs for governments to reduce uncertainties about their own strategies and encourage entrepreneurship.

70 83 01 1      July 1983      236 pages      \$17.00

**Measuring the Effects of Inflation on  
Income, Saving, and Wealth by Jack Hibbert.**

Data for six OECD countries including the U.S. are assembled showing the impact of inflation on various types of assets and liabilities during the last decade. They show the distribution of inflation gains and losses among households, business, and government.

11 83 02 1      June 1983      170 pages      \$14.00

**OECD Economic Outlook Occasional Studies,  
June 1983.**

Includes the following papers: Perspectives on Macroeconomic Performance in the 1970's, Public Sector Deficits: Problems and Policy Implications, Effects of the Minimum Wage on the Youth Labor Market in North America and France, and Alternative Measures of Saving.

12 83 01 1      June 1983      84 pages      \$15.00

**World Economic Interdependence and the  
Evolving North-South Relationship.**

Identifies the major elements in the interaction between developed and developing countries. Taking a longer-term structural approach, it examines linkages between problems and between countries and groups of countries.

43 83 04 1      May 1983      84 pages      \$9.00

**Telecommunications:  
Pressures and Policies for Change.**

Reviews the implications of the development of new technologies in equipment and services for government policies regarding competition, investment, R&D, and manpower.

93 83 02 1      April 1983      142 pages      \$14.00
