

## **American Economic Journals Disclosure Statement**

Date: 7/24/2019

Author Name: Zachary

Manuscript Title: The Not-So-Hot Melting Pot: The Persistence of Outcomes for the Descendants of the Age of Mass Migration

### **Disclosure Statement:**

This research was supported by the Australian National University's College for Business and Economics Research Grant. I have no relevant financial interests that relate to this research and no one had the right to review the paper.

### **IRB Statement:**

No IRB approval was obtained since the research is on historical and publicly released census files first collected between 1880 and 1940.
