

## **Replication Files for Keiser and Shapiro (2019)**

These files replicate Figures 1 to 4.

The Stata code used to call the data and produce the figures is here:

1\_Keiser\_Shapiro\_Figures.do

The data used in these figures is in the folder “data replication.” This folder contains the following files:

- gallup.dta: data for Figure 1
- fishable.dta for Figure 2
- dw\_violations: data for Figure 3
- spending.dta: data for Figure 4
