paper: Mentoring and the Dynamics of Affirmative Action

author: Michèle Müller-Itten

Part of this research was conducted while I was a graduate student at UC Berkeley, and was supported financially by NSF grant (# SES 1227707) in the form of employment as a graduate student researcher for Prof. Shannon. The Institute for Scholarship in the Liberal Arts at the University of Notre Dame has provided financial support for presenting a version of this paper at conferences. I have no other relevant or material financial interests that relate to the research described in this paper.
