

Dear editors,

I would like to declare that I have no relevant or material financial interests related to the paper “Profiting from Most-Favored Customer Procurement Rules: Evidence from Medicaid”, co-authored with Thomas Hwang and Luca Maini.

My research was partly conducted during my postdoctoral fellowship at the NBER, which was supported by the National Institute on Aging, Grant Number T32-AG000186.

Please do not hesitate to contact me if you have any further questions.

Best regards,
