

## **Disclosure statement**

With reference to the paper “Net neutrality: an economic (re)view,” submitted to the *Journal of Economic Perspectives* for publication, I declare that I have no relevant or material financial interests that relate to the research described in this paper. From 2010 to 2012 I served as an economic expert for the German Federal Ministry of Economic Affairs on net neutrality and this is acknowledged in the paper.

Sincerely,  
Martin Peitz
